DEPARTMENT OF AGRICULTURE, MYSORE SERUM INSTITUTE.

Tender notice dated 30th August 1928.

Sealed tenders are invited for the supply of miscellaneous articles required for the Mysore Serum Institute, near the Chief Commandant's Office, Bangalore, during the official year ending the 30th June 1929 and will be received in the office of the undersigned to 5 P.M. on Saturday the 15th September 1928. The tenders should be superscribed "Tenders for the supply of miscellaneous articles for Serum Institute"

The approximate quantities and description of the articles required, are given in the subjoined statement, and the tenderer should quote his rates against each item. Tenders not conforming to this, will not be considered.

Every tenderer should deposit in the State Huzur Treasury, a sum of Rs. 100 as earnest money deposit towards the tender in favour of the Officer-in-charge, Mysore Serum Institute, Bangalore, and the Treasury receipt obtained therefor, should accompany the tender, without which the tender will not be considered.

Tender rates quoted should include the cost of delivery of the articles at the Institute premises.

The quantities given in the accompanying statement are only approximate and the actual quantities to be supplied during the year may be 25 per cent more or less. If quantities more than those mentioned in the schedule are required, the success fultenderer is bound to supply such additional quantities at the accepted tender rates. If articles other than those mentioned are required he should supply them also at the market rates prevailing at the time of placing orders.

No claim for compensation on account of rise in prices of articles that might be due to any cause, will be entertained during the contract period.

The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time, upon indents from the Officer-in-charge, such indents being complied with, within two days from the date of their receipt.

The undersigned does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

The tenders will be opened at 5-30 P.M. on the 15th proximo in the presence of such tenderers as may choose to attend.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement on twelve annas stamp paper for the due fulfilment of the contract within seven days from the date of intimation of the acceptance of the tender.

Bills for the supplies made during a fortnight or a month should be submitted early for auditing and arranging payment. The totals of bills for less than Rs. 25 will be rounded to the nearest anna and for bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee.

The articles supplied should be good and conform to the sample furnished and will be liable to be rejected if they do not serve the purpose of the Institute.

The earnest money deposited with the tender will be forfeited to the Government if the tenderer whose tender is accepted, fails to execute the necessary agreement. The earnest money on rejected tenders will be returned.

Should the successful tenderer fail to comply with any of the conditions stipulated in the contract, his contract shall be forthwith cancelled and the money deposited will be forfeited to the Government. Further, in the event of the successful tenderer failing to fulfil his contract within the specified time, the undersigned reserves the right to purchase the articles required, in the open market, against him, at his risk and expenses and claim damages; but the contractor will have no right to participate in the profits, if any.
